

CONFERENCE TOPICS

- Rock properties and testing methods,
- Tunnel and underground construction,
- Rock mechanics in mining,
- Rock slope and landslide,
- Geotechnical monitoring and measurements,
- Environment post-mining problems,
- Underground storage.

CONFERENCE LOCATION

International Cultural Centre
Rynek Główny 25, Kraków
50.061517, 19.935948

ORGANIZING COMMITTEE

Krzysztof Tajduś (General Chair)
Rafał Misa (Chair of Scientific Committee)
Marta Rusek (Chair of Program Committee)
Mateusz Dudek (Committee member)
Strata Mechanics Research Institute
Polish Academy of Sciences
Karsten Zimmermann (Committee member)
DMT GmbH & Co. KG

CONFERENCE ORGANISERS' ADDRESS

Strata Mechanics Research Institute
Polish Academy of Sciences
27 Reymonta Street, 30-059 Cracow

APPLIED GEOTECHNICAL ENGINEERING

**Ground Control in Mining,
Post-Mining and
Infrastructure**
3rd Knothe Scientific Conference

Kraków, 27-28.04.2020

PARTICIPATION IN THE CONFERENCE

The conference is addressed to all individuals interested in the rock mechanics, geotechnics, protection of mining areas and post-mining areas in particular to the professionals in research institutions, mining authorities, mining plants, state and local government bodies as well as design offices and other businesses.

CALL FOR PAPERS

The abstract (up to 2500 characters) and paper should be sent to the organisers' address by **March 14, 2020** in English.

Papers will be printed in the monograph published by Taylor & Francis Group (200 points for the monograph according to the Polish Ministry of Science and Higher Education, so 50 points for the chapter).

In case of a large number of submitted papers, the organizers reserve the right to qualify selected ones. All authors will be notified about their qualification to present their papers by **April 10, 2020**.

KNOTHE'S AWARDS

During the conference, the Scientific Committee will select three the best presentations that will receive the prestigious **Stanisław Knothe Award**.

SCIENTIFIC COMMITTEE

Carsten Drebenstedt

TU Bergakademie Freiberg, Germany

Józef Dubiński

Corresponding Member of the Polish Academy of Sciences, Poland

Artur Dyczko

Jastrzębska Spółka Węglowa S.A., Poland

Wacław Dziurzyński

Mining Committee PAS, Poland

Stefan Hager

RAG Aktiengesellschaft, Germany

Michael Hegemann

TH Georg Agricola University of Applied Sciences, Germany

Thomas Lautsch

Bundesgesellschaft für Endlagerung, Germany

Jens-Peter Lux

DMT GmbH & Co. KG, Germany

Gerhard Mayer

Montanuniversitaet Leoben, Austria

Axel Preuße

RWTH Aachen University, Germany

Stanisław Prusek

Central Mining Institute, Poland

Przemysław Skotniczny

Strata Mechanics Research Institute PAS, Poland

Tadeusz Słomka

AGH University of Science and Technology, Poland

Anton Sroka

Strata Mechanics Research Institute PAS, Poland

Antoni Tajduś

AGH University of Science and Technology, Poland

Wacław Trutwin

Full Member of the Polish Academy of Sciences, Poland

Jiang Yan

Shandong University of Sciences and Technology, China

REGISTRATION

- regular fee*: 300 € (1 200 zł),
- student fee*: 70 € (280 zł),
- (*includes participation, meals, materials, evening event)
- accompanying person for an evening event: 50 € (200 zł).

Payments should be transferred to the bank account:
Instytut Mechaniki Górniczej Polskiej Akademii Nauk
ul. Reymonta 27, 30-059 Kraków
Bank Gospodarstwa Krajowego
PLN: PL04 1130 1150 0012 1202 6020 0006
EUR: PL57 1130 1150 0012 1202 6020 0022
SWIFT: GOSKPLPW
with a note in the title „AGE conference”

The registration for the applications of participation is open until April 13, 2020.
More information: www.age.imgpan.pl.

INSTRUCTIONS FOR PAPERS

Maximum total number of article pages: 10-12.
Conference and article language: English.

Abstract submission opening: **November 4, 2019**,

Abstract submission deadline: **March 14, 2020**,

Paper submission deadline: **March 14, 2020**,

Notice on paper acceptance: **April 10, 2020**.

Guidelines for the authors are available at the website www.age.imgpan.pl.

Qualified papers will be printed in the monograph published by **Taylor & Francis Group** under the title "*Ground Control in Mining, Post-Mining and Infrastructure*".
